DEDICATION

To you, Miss Fitzwilliams, we, the class of 1951, fondly dedicate this Shield. When thinking of our days at the Seminary, we shall remember your cheering smile and patient, never-failing understanding. You have encouraged our strengths, helping us to overcome our weaknesses and guiding us "from strength to strength."

Whose deeds, both great and small,
Are close-knit strands of an unbroken thread,
Where love ennoble all."

FOREWORD

We of the Shield Board for the twentieth annual edition of this yearbook wish to extend our thanks to all of the capable and helpful persons who have aided us in its preparation.

We are deeply grateful to our adviser, Miss Edgerly, for the extensive work and helpful guidance she has given us, and we wish to thank her for all the time she has so generously spent for our benefit.

In presenting you with this 1951 Shield, it is our hope that you will treasure its remembrances of the school and of this year, and often turn back to its pages.

Class Song

Green and white, we will show you our might;
 We will fight for honor and fame.
 As forward we stride, Annie Wright will provide
 Us with courage to make a great name.
 Our triumphs unfold at the glories we'll hold
 In the spirit in which they were won.
 Though we know we'll sometimes lose,
 We'll fight 'till the job is done.
 So—we'll onward go
 To do our best for '51!

Step Song

We're the class so brainy and witty,
And to you we sing this ditty.
We are the class with the vigor and dash—
We're the Seniors of '51!
Strength to strength is always our motto,
Striving to uphold what is right;
And you will note we'll fulfill it we hope,
We're the Seniors of '51!
Junior Prom, Commencement and May Day,
And all of the other days, too,
We'll be the best of the classes of Seniors
In everything that we do!
So from the class so brainy and witty,
So from the class who's singing this ditty,
You can expect a grand year, you bet,
We're the Seniors, the Seniors, the Seniors,
The Seniors, the Seniors of '51!

SERVICE LEAGUE

The main project of the Service League this year, under the chairmanship of Aliceon McInroe, was to sponsor Miss Teruko Nagai's visit from St. Margaret's School in Tokyo, Japan. Here Miss Nagai has been studying American methods of education, which she will put to practical use on her return to Japan. With Miss Nagai's visit has come to the Seminary an appreciation of Japanese culture and a realization of the need for friendship with all peoples of the world.

Alma Mater

Hail to thee, our Alma Mater,
Seminary fair;
May achievements crown thy labors
Is our earnest prayer.

Deep and true as those blue waters
Thou art reared above,
May the characters thou moldest
Hold thee in their love.

Pure as yonder snow-clad mountains
Where our glances fall,
May we in the years to follow,
Answer to thy call.

Chorus . . . Hearts turned toward our Alma Mater,
May our lives at length
Prove thy daughters bear thy motto,
"On from strength to strength."
